

Radio Scouting and Electronics Activity

Outdoor Pac Man Instruction card

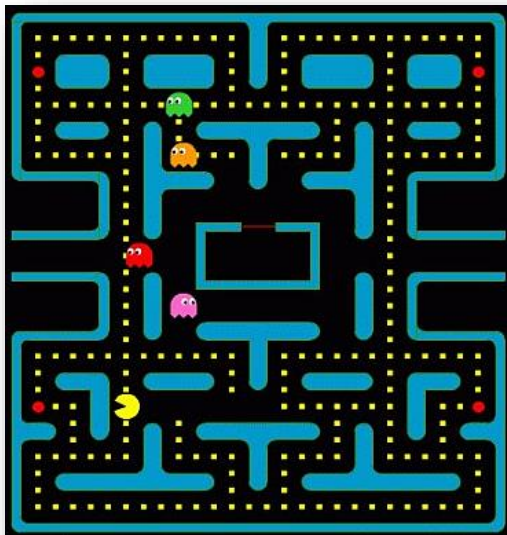

This game will learn to communicate in an efficient way using 2-way radios (walky-talkies).

The winner is the team that collected the most cups from the Pac Man playground.

- Make 2 teams of 2 persons
- Both teams have 2 walky-talkies to communicate
- Per team,
 - 1 player is blindfolded on the Pac Man playground and has a bucket,
 - 1 player is at a distance to the Pac Man playground.
- The player off the playground, is steering the player in the playground by commands on the walky-talky.
- The player in the playground is collecting cups in the bucket.

Rules:

- You cannot leave the lanes
- Don't cheat with the blindfolds

Level of difficulty:

1. Both teams use different channels.
2. Both teams use the same channel.
